GREETINGS,

Montana is rich in nongame wildlife resources—yet relatively little is known about nongame wildlife. Beginning this year, Montanans have the opportunity to contribute to the Nongame Wildlife Program through a tax checkoff on their state income tax returns. Contributions will fund education and research projects to promote public understanding about Montana's nongame wildlife, such as the bluebird, painted turtle, pelican, pika and sturgeon chub.

Please consider a contribution when you complete your tax return . . . it's an opportunity to do something wild.

GENERAL INFORMATION

STATE TELEPHONE NETWORK (STN) USAGE

State telephones and the State Telephone Network (STN) are provided for the conduct of State business during regular State business hours. Agencies will formulate and adopt policies to restrict the use of State telephones to State business only.

All STN calls are recorded with originating number, time of day, number dialed and length of call.

All in-state and out-of-state calls made on the STN are billed to the initiating party. STN calls are costed as a function of existing Direct Distance Dial (DDD) rates (duration and distance) discounted by the State based on current network costs. Any calls made DDD are billed at the prevailing non-discounted rates.

NETWORK TROUBLE REPORTS

REPORT NETWORK RELATED TROUBLE CONDITIONS TO 444-4455.

SERVICE ORDERS FOR HELENA AGENCIES

TELEPHONE SERVICES REQUEST forms are required for installation, modification, relocation, removal or other changes to your service and should be submitted to the Communications Division at least 30 days prior to date of change. This will allow both technical and financial options to be reviewed and ensure accurate processing of the service request. Forms are available from Property and Supply, 930 Lyndale, Helena, MT. 59620.
